

Security and Keyless Entry Contract and Agreement

1. I have been given a personal entrance code to use as long as my membership dues are current.
2. I accept the responsibility of keeping my entry code confidential and will not give entrance to anyone at any time.
3. Under no circumstances will I loan or share the entry code with anyone, nor will I use the code beyond the time I have prepaid for access to the gym.
4. In the event that I come to the door at the same time as someone else I am not allowed to hold the door for anyone at any time.
5. I understand gym access/membership is not transferable.
6. A staff member is available by appointment for any guest I schedule to bring to the gym. Any guest MUST be attended by a staff member of BeneFit for Women.
7. No child is allowed in a car seat or sitting in the gym.

I understand the above policy is strictly enforced and the penalty for the first and every offense is a minimum fine of \$300 and revocation of membership with no refund. I am responsible for 100% of all collection and legal fees associated with a breach of this contract.

This authorization is to remain in full force for a **minimum of twelve (12) months**. After the 12 months, the draft will continue until the company has received written notification from me. **Cancellation requires a 30 day notice** which affords the company and the bank a reasonable opportunity to act on it. I agree and understand that if the bank returns the check draft unpaid because of insufficient funds or any other reason, I will pay BeneFit for Women an additional \$27.00 for the dishonored check draft.
